Letter from the President

I am honored to be a part of the growth of the Impact100 Greater Chesapeake Chapter. When our founder, Heather DeBuse approached me 5 years ago about this amazing organization I was in from the start. I have been involved in a range of philanthropic activities for years, including Junior League here in Annapolis, I was inspired by what can be done when women come together for the good of the community. Over the last five years our grants have directly supported Anne Arundel County nonprofit projects by providing equine mental health programming, combating food instability and insecurity, renovating homes so our neighbors can return safely, and bolstering the dignity of disadvantaged families by providing necessities (i.e. furniture, housewares, clothing and personal items) to families and individuals without sufficient economic resources. Together our members have re-invested \$344,000 back into our community! We look forward to hitting our goal of 100 members, and we can only do so with your help. You can join, help us spread the word, together we can truly IMPACT our community! Our members include entrepreneurs, business people, teachers, realtors, stay-at-home moms and retirees. Although our occupations are wide-ranging, our common passion for improving our communities binds us together as one through Impact100 Greater Chesapeake.

I hope you'll consider joining this incredible group of women who are making such a difference in our community through their monetary contributions and engagement.

All the best,

Michele Burns
